TERRIFIC TREVOR

10 Ways to Make Trevor Smile

A playful little collection of titles created especially for Trevor.

1. Terrific Trevor

The obvious opener - because some titles simply fit.

"Morning, Terrific Trevor. Try not to let the title go to your head."

2. Top-Notch Trevor

For the Trevor who quietly sets a rather inconveniently high standard.

"Very Top-Notch today, Trevor. The rest of us will try to keep up."

3. Tremendous Trevor

When 'pretty good' is nowhere near enthusiastic enough.

"Tremendous Trevor has arrived. We may now proceed."

4. Trusty Trevor

For the man people know they can count on when it matters.

"Trusty Trevor - dependable is a seriously underrated superpower."

5. Talented Trevor

For whatever he does suspiciously well without making a fuss.

"Careful, Talented Trevor. You're making that look far too easy."

6. Tenacious Trevor

For the Trevor who keeps going long after most people would call it a day.

"Tenacious Trevor strikes again. Apparently quitting wasn't on the schedule."

7. Thoughtful Trevor

For the man who notices the little things - and remembers them.

"That was very Thoughtful Trevor of you. Yes, we noticed."

8. Trailblazing Trevor

For the Trevor who prefers making his own path to following everybody else's.

"Lead on, Trailblazing Trevor. We'll pretend we knew where we were going."

9. Timeless Trevor

For the man whose style, humour or charm refuses to go out of date.

"Timeless Trevor - proof that some things just keep getting better."

10. Treasure-of-a-Trevor

A shamelessly affectionate title for somebody worth keeping around.

"You're a Treasure, Trevor. Don't make us say it twice."

A LITTLE MORE TREVOR MISCHIEF...

Because we promised 10 ways - but nobody said we had to stop there.

TRY SAYING...

"Has anyone reminded you lately that you're Terrific, Trevor?"

"There are plenty of Trevors around. This one is clearly the deluxe edition."

"I think Top-Notch Trevor has just entered the building."

"Trevor, you make being impressive look suspiciously casual."

"Tenacious Trevor doesn't give up. He merely changes tactics."

"You're a Treasure, Trevor - and yes, you may quote me on that."

CREATE YOUR OWN TREVOR

Invent your own T-word, private joke or ridiculous title -
then use it when Trevor least expects it.

My _____ Trevor

What it means: _____

When I'll use it: _____

THE BEST ONE OF ALL

My Trevor.

Because sometimes the most affectionate words are the simplest ones.
